5 Theatre Arts Workshops

**March 12 – Theatre Games**

Our first class will focus on building ensemble as a group and engaging our imaginations and senses through many different theatre games and skills.

**March 19 – Pirates!**

It's a swashbuckling tale! Practice your "Arghhs" and your "Ahoy Mateys" through song, dance and stories all about Pirates.

**March 26 – Shakespeare!**

Fairies, magic and fun fill the class through the beautiful language and stories of Shakespeare. Students will learn a bit about the Bard, his many stories, and characters, and even practice some of his poetic language.

**April 2 – Costumes! Lights! Stage!**

What are costumes? Why do we have lights? What's a Set Designer? During this class, we will explore a stage and what is on it. Exploring the visual artistry of theatre, each student will also get a chance to design and draw their own costume – and share it.

**April 9 – Song & Dance!**

Students will learn a classic musical number from a Broadway show.
